

Golf Lessons on Saturday Agenda

Golfing lessons for teen-aged boys and girls began Saturday at Sea-Aire Park, 22730 Lupine Dr., under the auspices of the Torrance Recreation Dept. Coach Bill Wood will give links instruction to girls each Saturday at 9, 9:30, 10, and 10:30 a.m. Lessons for boys will be given at 11 a.m.

The lessons are preparatory to a tournament for girls planned next month.

Boy members of the park's teen-age golf club already are conducting tournament matches at the nine-hole short course.

A fee of 10 cents is charged for each lesson. Club dues are 50 cents a year and entitle members to a greens fee reduction.

Unions Back Bond Issue

The Oil, Chemical and Atomic Workers, Local 1-519 of Torrance, and 1-128 of Long Beach, have added their endorsements to the list of those supporting the Torrance School bond issue which will come before the voters on Tuesday, Oct. 14.

The school bond issue will provide money for continuation of the large-scale building program of the Torrance Unified School District. At least five new schools and additions to 21 other schools would be constructed with the money, if voters approve the bond issue.

Montgomery Drops Game to Serra

Bishop Montgomery gridders dropped their second straight tilt in the school's career 21-6 Thursday to Serra High on the winner's field.

The only score for the Torrance school was rung up when Dick Crown, defensive half back, intercepted a Serra pass and ran a thrilling 84 yards for a touchdown.

Last week, Montgomery dropped its opener 12-6 to Bishop Amat School, La Puente.
